

# A New Direction for Driver Education in PA

## A Forum for State & Local Policy-Makers, Educators, and Concerned Parents

**FRIDAY ~ OCT. 9, 2009 ~ 8am to 3pm**

*Kasych Pavilion at Lehigh Valley Hospital - Cedar Crest Blvd. & I-78, Allentown*

Learn how other states and communities fund and develop comprehensive Driver Education programs.

Participants from the Lehigh Valley Health Network, PennDOT, and Pennsylvania Department of Education will illustrate the current status of Driver Education in Pennsylvania.

Keynote presentation and discussion will feature professionals from DTS Consulting\* who are leading the “Renovation of Driver Education” across the United States.

*Register ASAP to attend:*
